

Did you know that our school has a social justice club for junior-senior high students?

Are you a junior or senior high student who aspires to make a difference in our school, in your community and in our world?

Are you looking for a way to develop your leadership skills?

Are you interested in planning and leading social justice projects, or helping out with projects?

Are you interested in ministering to your school community by participating in school liturgies?

**If so, please join us online for our next club meeting!**

Please keep an eye on the Hands of Hope Conference in First Class, and consider joining our next meeting!

A massive thanks to everyone for their support in the 2015/16 school year! Also thank you to all club members for all their work and time for the club!

Please contact Mrs. Denise Kissel for any more info about the club.

We hope to see you in the 2016/17 year!

Take Care and God Bless!

# Who are we helping?

We sponsor a young girl from Nicaragua. Her name is Marcela and she is 7.5 years old. Marcela lives with her mother, father and siblings and she hopes to become a teacher when she grows up. Her sponsorship is \$41 a month.

## Our other 2 projects

### Bear Valley Rescue (BVR)

BVR rescues horses that would otherwise go to slaughter. People think that slaughtered horses are old and sick; some are. But the majority are young horses that never had a chance at life, or beloved pets, or winners in their day that got dumped when they could no longer perform. BVR also takes care of horses from SPCA seizures, owner surrenders, abuse and starvation situations, etc. BVR tries to find them lifelong, loving homes. Any horses that can't or aren't adopted are cared for at BVR till the end. BVR also rescues other animals (cows, goats...) in trouble.

### Tears Of Joy Ministry

Tears of Joy provides aid, resources, and training to people and leaders in local communities in the poorest nations. Through this help, people can experience some relief from their circumstances. Tears Of Joy also empowers people who then help others in their communities...

Thanks to everyone's support HOH has been able donate many times to Tears of Joy for their Dominican Republic trips to help them purchase whatever was most needed.

Thanks to everyone's generous support we have been able to make many donations to BVR!
